

# FIRESTONE RECALL

## Consumer Information Booklet

---

*Firestone has initiated a voluntary recall that provides for the free replacement of certain Steel Belted Radial 500 and Firestone TPC passenger car tires. Firestone is also offering to owners and users of certain other 500 and TPC tires a special half-price replacement program. This booklet has been prepared in cooperation with The National Highway Traffic Safety Administration (NHTSA) to inform you of the details of these programs.*
